**Calculate the amount you should have remaining this month using this formula:**

**TOTAL MONTHLY INCOME:**    \$ \_\_\_\_\_  
**(MINUS) TOTAL AMOUNT FOR BILLS:**    - \$ \_\_\_\_\_  
**AMOUNT LEFT THIS MONTH:**    \$ \_\_\_\_\_

**\*\* Definition of 30% Rule** - After giving 30% of your check based on the items listed, you'll live off the remaining 70% of your paycheck.
